

Comanche

INDUSTRIAL STRENGTH DEGREASER

Comanche is a concentrated multi functional cleaner with applications in industrial, commercial, transportation and food service industries.

- ◆ Vehicle engines and chassis
- ◆ Whitewall tires
- ◆ Conveyors, ovens, racks, hoods and stove tops
- ◆ Shower stalls, bathroom fixtures and floors
- ◆ Cutting and forming oils, petroleum greases and fluxes
- ◆ Air conditioning condenser and evaporator coils.

Comanche emulsifiers and detergents readily dissolves oils and greases. It's high concentration of alkalinity quickly breaks down processing plants soil and baked-on fats. **Comanche** meets all **USDA specifications** as a general cleaning agent on all surfaces. USDA requires a potable water rinse after cleaning

SPECIFICATIONS

Physical Appearance.....	Clear, dark blue
Odor.....	Slight ether odor
Specific Gravity.....	1.040
pH.....	11.7(1% use dilution)13.5(concentrate)
Viscosity.....	1 centistoke
Biodegradable	yes
Freeze point.....	-6 C
Flash point.....	None

DIRECTIONS

- ◆ Heavy grease and carbon build-up- use straight or dilute 1 : 1
- ◆ Medium grease and soil-1 : 2 to 1 : 5
- ◆ Regular cleaning and pressure washing- 1 : 30 to 1 : 64
