

ETOWAH GOLD

MIRACLE FOAM

A premium all-purpose detergent gentle enough to use all day, put **ETOWAH GOLD** to work where harsh alkaline cleaners create health hazards or damage finishes. Use it to remove ground-in dirt from floors and walls. **ETOWAH GOLD** produces abundant long-lasting suds; its detergent action is tough enough to cut grease and foods from pots, pans and dishes. **PHOSPHATE FREE**

ETOWAH GOLD quickly removes dirt and road film. It will not streak or harm waxed surfaces. **ETOWAH GOLD** is more economical because it is extra concentrated, 6 to 8 cars can be washed from 1 bucket of solution. **ETOWAH GOLD** gets the dirt with foam, on all types of fabrics, where water alone could be used. It leaves no dull soap film.
