

SC-99

POWDERED ALKALINE CLEANER

(SUPER VAT STRIPPER)

SC-99 is a highly concentrated caustic cleaner designed to remove grease, oil and dirt from alternators, starters and other parts constructed of ferrous metals. May be used in hot vat or recirculating spray wash units. **Do not use on aluminum and other soft metals.**

SPECIFICATIONS:

Physical appearance.....	White powder
Odor.....	Musty, odor
Specific gravity.....	n/a
ph.....	13.5 (1% solution)
Viscosity.....	n/a
Biodegradable	Yes
Freeze point.....	N/a
Phosphorous as % p.....	0.087%
Flash point.....	None

DIRECTIONS:

Solution tank should be large enough for complete immersion. Heat water to 180 to 212 f. Add ½ pound sc-99 to each gallon of water, heat to boiling point. Immersion time is approximately five minutes. For cold water stripping use 1 pound of sc-99 to each gallon water. Rinse with clean water or steam. Repeat process if necessary for hard to clean parts.

FIRST AID:

If eye contact occurs, flush with large quantities of water for at least 15 minutes. If ingested induce vomiting immediately by sticking finger down throat. **Get medical attention immediately.**
