

# SC-BD-20

## NON-CAUSTIC DEGREASER

\*\*\*\*\*

**SC-BD-20** is a premium, high quality, concentrated cleaner degreaser that contains an organic solvent to help to dissolve grease, oil, mold, mildew, soap scum, etc. It is very effective in the high pressure, cold or hot water washing of mobile homes, rv's, trucks, trailers, buildings, etc. **SC-BD-20** is also an excel-lent pre-spray for use on extremely difficult cleaning jobs and will clean engines, vinyl, white wall tires, stainless steel, aluminum, painted surfaces, floors, walls and counter tops. The corrosion inhibitors and water softeners in **SC-BD-20** help prevent rusting of ferrous metals.

**SPECIFICATIONS:**

Physical appearance.....	Clear, green
Odor.....	Ether odor
Specific gravity.....	1.070
ph.....	11.0 (1% dilution)
Viscosity.....	1 centistoke
Freeze point.....	-7 c
Biodegradable.....	Yes
Phosphorous as %p.....	0.7
Flash point.....	None

**DIRECTIONS:**

**SC-BD-20** is a concentrate, in most applications, should be diluted prior to use. However, when used as a pre-spray, **SC-BD-20** may be used full strength depending on severity of soil. When used through pressure washing equipment, drop detergent feed line into **SC-BD-20** concentrate and set metering valve to the desired setting, and soak entire surface from bottom up. Detail clean from bottom up. Rinse with fresh water from the top down.

**CAUTIONS:**

**Keep this, and all chemical compounds out of the reach of children.** Do not allow to freeze. Do not allow to dry on surface. Do not use on painted surfaces at concentrations of less than 1:15. Use eye, face and hand protection when handling product. Do not ingest. Do not store at temperatures above 120 f.

**EMERGENCY FIRST AID:**

**Eyes:** rinse for 15 minutes with potable water. If irritation persists, seek medical attention. **Skin:** rinse with water, if irritation persists, seek medical attention. **Ingestion:** do not induce vomiting, seek immediate medical attention.

**CONTAINS:** Sodium metasilicate, ethylene glycol monobutyl ether, sodium ethylenediamine tetraacetate and other non-hazardous ingredients.
