

SC-PBHWK

HIGH ALKALINE TRUCK WASH

SC-PBHWK'S unique formula is excellent for cleaning trucks, trailers, heavy equipment or may be used as a heavy degreaser. It's rich high alkaline foam quickly attacks dirt and grime and yet rinses quickly without streaking. Because of its high alkalinity, extreme care should be exercised when using on soft metals (as aluminum) and painted surfaces. Do not allow to dry on surface. **SC-PBHWK** has surpassed the safety requirements for alkaline cleaners in large industries and is completely biodegradable.

SPECIFICATIONS:

Physical Appearance.....	Dark brown liquid
Odor.....	Slight surfactant
Specific gravity.....	1.07
ph.....	12.9 (concentrate)
Viscosity.....	1 centistoke at 25 C
Biodegradable	yes
Freeze point.....	-6 C
Phosphorous as % p.....	1.0%
Flash point.....	None

DIRECTIONS:

SC-PBHWK has been designed to be used through high pressure spray equipment. Set the dilution ratio to 1 part **SC-PBHWK** to 40 parts of water, at the gun tip. Spray surface to be cleaned from bottom to top. Rinse with high pressure from top to bottom. Do not allow **SC-PBHWK** to dry on surface.

DANGER: Causes burns to eyes and irritation. Harmful if swallowed. **Keep out of reach of children.**

Contains sodium hydroxide, biodegradable detergents and chelating agents. Avoid contact of undiluted products with skin or eyes. Avoid continued inhalation of mists in spraying or other applications. Wear goggles and rubber gloves when using in power washing equipment.

FIRST AID:

If eye contact occurs, flush thoroughly with water for 15 minute. Get immediate medical help. For skin, flush with water. If ingested, give water or milk. Do not induce vomiting. Get medical attention immediately.
