

WARPATH

POWDER CONCRETE CLEANER

WARPATH is a concentrated, fast acting cleaner designed to loosen grease and grime on all concrete surfaces and floors. **WARPATH** is great for cleaning garages, filling stations, paved parking areas or any industrial facility where there are concrete surfaces to be cleaned. This powdered heavy duty cleaner is biodegradable and contains no phosphates. You'll appreciate its pleasant citrus fragrance. **WARPATH** dissolves easily and rinses easily leaving no residue. It changes from yellow to green to let you see the active alkalinity becoming a solution.

SPECIFICATIONS:

Physical Appearance.....	Yellow powder
Odor.....	Citrus odor
Specific Gravity.....	N/A
pH.....	12.0 (use dilution)
Biodegradable.....	Yes
Freeze point.....	N/A.
Phosphorous as % P.....	None

Freeze point.....	None

DIRECTIONS:

Wet surfaces to be cleaned. Sprinkle product generously ---let stand 5 - 15 minutes. Scrub surface. Rinse surface with clear water. **Note:** cleaner may be applied as a solution. **Do not use** on resilient tile or composition surfaces. **WARPATH** works great when used with a high pressure washer.

WARNING:

Repeated contact may cause redness and dry cracked skin. Dusts may cause severe irritation of eyes and slight irritation of nose and throat. Wear chemical goggles, neoprene gloves. Wear dust respirator if nuisance dust TLV of 10 mg/cubic meter is exceeded. Contain sodium metasilicate and 2-butoxy-ethanol.

FIRST AID:

If eye contact occurs, flush with large quantities of water for at least 15 minutes. See an ophthalmologist if irritation persists. For skin, flush with cool water while removing contaminated clothing. Wash clothing before reuse. If ingested, give large amounts of water or milk. Seek medical attention immediately. Never give anything by mouth to an unconscious person. If inhaled, if discomfort occurs and persists, obtain medical attention.
