

# WASH & WAX

## SUPER CONCENTRATED

\*\*\*\*\*

**WASH AND WAX** is a super concentrated blend of high foaming detergents, sequestrants and an acrylic co-polymer that washes and shines in one step. It leaves a protective coating on all vehicle surfaces. It's a great cleaner, **WASH AND WAX** easily removes road film and fallout from auto and truck surfaces. This safe-to-use product does not contain alkaline builders that create health hazardous or damage finishes. **WASH AND WAX** is really economical, 6 to 8 cars can be washed from one bucket of solution.
